VISION
To contribute to the development and upgrading of health services in Lebanon and the region by providing excellent education and scientific research of high quality.

MISSION
To promote and maintain the highest level of education through continuous improvement in education, research quality, and community services in the fields of nursing, nutrition and dietetics, medical laboratory technology and physical therapy. The Faculty offers comprehensive educational programs through varieties of teaching methodology, laboratory, clinical experience and field training which are culturally and ethically sensitive. Graduates of these programs will be able to function in changing and diversifying health care settings. The faculty provides evidence-based practice according to the highest professional standards by incorporation of recent research findings into professional practice. To achieve its mission, the Faculty relies on highly specialized and dedicated staff members.

UNDERGRADUATE ADMISSION
WHO CAN APPLY
To be eligible to apply, you must hold the relevant Lebanese Secondary Certificate (L.S., G.S., S.E., L.H.) or its equivalent:
- International High-Schoolers or Secondary Certificate holders qualify for admission after obtaining the equivalent of the Lebanese Secondary School Certificate from the Equivalence Committee of the Lebanese Ministry of Education.

WHEN & HOW TO APPLY
Obtain an application in June of each year as Entrance Exams are mostly set in July.
- Complete the Application Form & attach the following documents:
  › Lebanese Applicants only: A photocopy of the Individual Civil Status Record
  › Non-Lebanese Applicants: A photocopy of the passport OR birth certificate
  › A photocopy of the Official Lebanese Secondary Certificate (L.S., G.S., S.E., L.H.) or its equivalent
  › Two recent passport-size photos endorsed by the relevant authorities
- Submit the application to the Admission Office before the date of the Entrance Exam

Admission Exam: All students are required to pass Admission Exams in Biology, Chemistry and English Language, in addition to a personal interview. The final acceptance in the program is based on the applicant’s qualifications and on class capacity.

ADDITIONAL INFORMATION
BAU exempts four of the top ten students in the Official Lebanese Secondary School examinations from taking the Admission Exams.

The Admission Exam contributes 70% towards the Placement Score and the remaining 30% are derived from the total score received on the Secondary School Certificate examinations.

English Language Requirements: All applicants and transferring students are required to sit for the BAU English Language Admission Exam and score a minimum of 70%. They are exempted from this exam only if they have previously passed the TOEFL Exam with a minimum score of 500, IELTS with a minimum score of 6.5 or successfully completed the IGCSE program.

What if my knowledge of English Language is inadequate?
You may need to take (an) extra English Language course(s) before and/or after the Admission Exam.

REGISTRATION REQUIREMENTS
Submit the following papers to the Admission Office:
- Two photocopies of the Official Lebanese Secondary Certificate (L.S., G.S., S.E., L.H.) or its equivalent, one of which should be authenticated by the relevant authorities
- The medical certificate including the required laboratory tests and X-ray taken under the supervision of the university

Lebanese students only:
- An original Individual Civil Status Record
- A photocopy of the Family Civil Status Record
- Students benefiting from any official health insurance funds must provide documented evidence thereof

Meet the advisor at the Faculty for advising on your first semester courses.

Present the signed registration form to the Registration Office.

Obtain your ID Card after completing all the registration procedure.
