

LSMS 2012

The Third Annual Meeting of the Lebanese Society for Mathematical Sciences (LSMS 2012), is jointly organized by **American University of Beirut** and **Beirut Arab University** and will be held on April 26th- April 28th, 2012.

The opening will take place in the Department of Mathematics & Computer Science/Faculty of Science at BAU, Debbieh campus on Thursday April 26th and will be commenced with a workshop in the field of Algebra/Mathematics given by one of the two hosted keynote speakers, the most well known algebraist in group representations, Professor Edward Formanek, from The Pennsylvania State University, USA. Algebraists from different institutions in Lebanon as well the members of the Lebanese Society for mathematical sciences are invited to attend the colloquium lectures at the workshop.

The conference will continue at AUB campus on Friday 27 April and Saturday 28 April with several presentations that will cover many other fields in mathematics.
