**Continuing Education Program**

**NEW TRENDS  
&  
CONCEPTS IN  
IMPLANTOLOGY**

**31 October & 1<sup>st</sup> November,**

**2009**

*Under the patronage of  
 Prof. Dr. Amr Galal El-Adawi President of  
 Beirut Arab University  
 Prof. Dr. Abdelaziz Fayed Ismail Dean of  
 Faculty of Dentistry  
 has the pleasure to announce the  
 Implantology Course titled  
 New Trends and Concepts in Implantology*

**Course Description :**

Advances in all areas of Implant Dentistry are occurring at an unprecedented pace . Many current Implant courses cover the “how-to-do” quite well , but neglect the new evolving trends .

With the recent advances , it is important that all practitioners become knowledgeable in those newer Implantology concepts .

This course is a must for all general dentists , periodontists ,prosthodontists and oral surgeons who want to achieve proficiency in the broad field of Implant Dentistry .

**Course Schedule:**

- I- Saturday October 31, 2009
- 8:30-9:00 Registration
