## Upgrade track from MCSA 2003 to 2008 as recommended by Microsoft

- Get exams of MCSA 2003: available with huge tutorials and examples, tips, and explanation movies. (70-290, 70-291, 70-270, 70-228)
- Then get the upgrade courses 70-648 and 70-646

I work with Microsoft Windows 2000 Server	<p><u>The Microsoft Windows 2000 Server exams are retired</u>; we recommend that you pursue a <u>Windows Server 2003</u> or <u>Windows Server 2008</u> path. Rest assured that the MCSA and MCSE certifications will not be discontinued; they will remain on your transcript and hold value for organizations that seek professionals who are skilled at working with Microsoft Windows 2000 Server.</p> <ul style="list-style-type: none"> <li>• <a href="#">Find out which exams have been retired</a></li> </ul>
