

**PERSONAL INFORMATION**

Nayer Samir Mohamed Abo El Saad  
 Beirut Arab University  
 (961) 1 300110 ext: 2549  
 (961) 79109899  
 n.mohamedaboelsaad@bau.edu.lb  
 naier74@gmail.com  
 Gender Male      Date of birth 07/07/1974      Nationality Egyptian

**POSITION**

Professor and Head of Periodontology Division  
 Department of Oral Surgical Sciences  
 Department of Biological & Diagnostic Sciences  
 Director, Division of Oral Diagnosis & Radiology  
 Director, Division of Oral Medicine and Oral Pathology  
 Infection Control Officer  
 University Research committee member  
 Member and trustee council -Faculty of Dentistry – Beirut Arab University

**WORK EXPERIENCE**

(2019- Present) Professor of Periodontology  
 (2014 - 2019) Associate Professor of Periodontology  
 Director, Division of Oral Diagnosis & Radiology  
 Director, Division of Oral Medicine and Oral Pathology  
 Infection Control Officer  
 Faculty of Dentistry – Beirut Arab University  
 (2011 – 2014) Assistant Professor of Periodontology  
 Director, Division of Oral Diagnosis & Radiology  
 Director, Division of Oral Medicine and Oral Pathology  
 Infection Control Officer  
 Faculty of Dentistry – Beirut Arab University  
 (2009 – 2011) Lecturer in Oral Medicine and Periodontology Department  
 Faculty of Dentistry - Mansoura University – Egypt  
 (2005 - 2007) Researcher  
 King's College Dental Hospital London - United Kingdom  
 (2003 - 2005) Assistant lecturer - Oral Medicine and Periodontology Department  
 Faculty of Dentistry - Mansoura University – Egypt  
 (1999 - 2003) Instructor, Demonstrator Oral Medicine & Periodontology Department  
 Faculty of Dentistry - Mansoura University – Egypt

**EDUCATION AND TRAINING**

(2009) PhD in Oral Medicine and Periodontology  
 Faculty of Dentistry - Mansoura University – Egypt  
 (2003) Msc in Oral Medicine and Periodontology  
 Faculty of Dentistry - Mansoura University – Egypt  
 (1996) Bachelor in Dental Medicine (Very good with honour)  
 Faculty of Dentistry - Mansoura University – Egypt

**PERSONAL SKILLS**

Mother tongue(s)	Arabic				
Other language(s)	English				
	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
	C1	C1	C1	C1	C1
Communication skills	Good communication skills with academic staff, students and patients gained through my experience in teaching in Egypt, UK and Lebanon				
Organisational / managerial	Leadership (currently responsible for a small group of undergraduate and				

skills	postgraduate students as research moderator), preparation of the faculty of dentistry clinics and infection control manual
Job-related skills	Worked for nearly two years between September 2005 to July 2007 at king's college dental hospital - London - United Kingdom with Professor Mena Soory (Prof. of Periodontology) after obtaining the temporary registration from the British General Dental Council to work as a researcher at king's college dental hospital. Treating patients complaining from gum diseases and performing by myself 44 periodontal surgeries involved placing bone graft material in teeth with infra-bony defects and application of soft laser irradiation to promote healing as a part of my PhD thesis. I assisted in different surgical procedures especially in laser operations and different periodontal surgeries. I attended oral medicine teaching sessions held at king's college dental school. I gained significant experience in dealing, management and treating patients from multicultural societies. <ul style="list-style-type: none"> <li>• Basic life support</li> <li>• First Aid Management in Dental Office</li> <li>• Infection Control and Prevention in Hospitals</li> </ul>
Computer skills	Good command of Microsoft Office tools Obtained ICDL
Other skills	Reading and Hiking
<b>Awards</b>	
(2022)	1 <sup>st</sup> poster award at Tripoli international conference
(2015)	3 <sup>rd</sup> Poster Award at the 14 <sup>th</sup> International Convention Faculty of Dentistry - Lebanese University
(2009 – 2010 )	Mansoura University Award for Best Doctorate Thesis

**Publications**

- Clinical, Radiographic, and Histological Evaluation of the Mineralized Plasmatic Matrix/Xenograft Mixture in Maxillary Sinus Floor Augmentation (A Randomized Controlled Clinical Trial) Hani Arakji, Essam Osman, Nayer Aboelsaad, and Mohamed Shokry European Journal of Dental and Oral Health Vol 4 | Issue 2 | April 2023
- Clinical and Radiographic Evaluation of Crown Margin Shifting Concept: A New Technique for Re-establishing the Biological Width . #### Conferences

- (2023) USJ 14 International dental conference 31 May -3 June 2023 (Moderator)

---

- (2022) Beirut international dental conference (Moderator)

---

- (2021) Laser vs. Scalpel; and Eminence vs. Evidence  
After Twenty Years Of Periodontal Surgical Expertise  
Oral presentation - Syrian ten international conference – Damascus university -Syria

---

- (2019) 29th Beirut International Dental Meeting  
Beirut – Lebanon

---

- (2017) Poster presentation in the Biennial Congress of the European Society of End odontology: Brussels, Belgium titled "Infection control assessment of dental students in Endodontic clinics"

---

- (2016) 26th Beirut International Dental Meeting  
Beirut – Lebanon

- (2016) Pioneers in Dentistry Annual Symposium  
Saint Joseph University – Lebanon

---

- (2015) 14<sup>th</sup> International Convention. Oral Presentation: Comprehensive Periodontal Evaluation in the Arab countries, Are we doing enough effort  
Faculty of Dentistry – Lebanese University

---

- (2015) All about BAU Institutional Review Board – Staff Development Program  
Medical Sector – Beirut Arab University

---

- (2015) Learning Styles: Do we learn the same way? – Staff Development Program  
Medical Sector – Beirut Arab University

---

- (2015) 14<sup>th</sup> International Convention. Poster: Comparative Clinical Evaluation of Green Tea and Honey in the Treatment of Diabetic with Chronic Periodontitis. Faculty of Dentistry – Lebanese University

---

- (2014) The Regional Course on Infection Control and Prevention in Hospitals  
AUBMC – Beirut

---

- (2014) Sterilization Day  
AUBMC – Beirut

---

- (2014) 24<sup>th</sup> Beirut International Dental Meeting BIDM. Lebanese Dental Association  
Beirut - Lebanon

---

- (2014) 5th ADEA International Women’s Leadership Conference. Oral presentation: “Improving Oral Health-Related Quality Of Life among Female Renal Transplants Patients.”  
Barcelona - Spain

---

- (2014) ADEA International Workshop  
Barcelona - Spain

---

- (2013) 23rd Beirut International Dental Meeting BIDM, Lebanese Dental Association. “Update on Host Modulatory Treatment for the Management of Periodontal Diseases (Oral presentation)”  
Beirut - Lebanon

---

- (2013) 3rd Iraqi Dental Reunion (Oral Presentation)
  - Periodontal Plastic Surgery
  - Update on Link between Periodontal Disease and Systemic Health
  - Management of Medical Emergency in Dental Office
 IDR - Erbil

---

- (2010) 8th Arab Conference for Antibiotics. Oral presentation: “Azithromycin Treatment of Drug Induced Gingival Hyperplasia in Renal Transplant Patients.”  
Tishreen University – Syria

---

- (2010) The AOIA International Congress, Stars Meetings, Navigation through the Stars

---

- (2009) Prosthodontics and Oral Medicine & Periodontology Conference. “New trends of Implant and Removable Superstructures”  
Mansoura University - Egypt

---

- (2006) London Dental Showcase at Excel London  
United Kingdom

**Scientific Meetings & Workshops**

- (2023) Scientific day organized by dental association of south and Saida

---

- (2019) LEBANON ASSOCIATION FOR DENTOFACIAL RESEARCH (LADR)- Meeting  
(ORAL HEALTH PART OF TOTAL HEALTH ) American University of Beirut Medical Center - Lebanon

---

- (2018) “PIONEERS IN DENTISTRY ANNUAL SYMPOSIUM ” The Orthodontic Spectrum from Basics to Clinical Studies and Applications”  
American University of Beirut Medical Center - Lebanon

---

- (2018)
  1. The Academic Portfolio
  2. Adding Fun to Interactive Learning: A Win-Win Situation!
  3. Giving Feedback" in teaching settings
  4. Colors in Health Care Environment

(2011) 2<sup>nd</sup> Dental Scientific Meeting  
(Orofacial pathotheis, Managing & Reconstruction)  
Faculty of Dentistry - Mansoura university

**Msc Thesis Supervision**

(2023) - Comparison between hyaluronic acid and chlorhexidine in the treatment of orthodontically induced gingival enlargement (Randomized controlled clinical trial)

(2023) - Evaluation of amonion chorion membrane for socket preservation following maxillary teeth extraction (a randomized controlled clinical trial)

(2023) Leukocytic Platelet Rich Fibrin (L-PRF) versus Subepithelial Connective Tissue Graft (SCTG) Using Tunneling Technique in Treatment of Gingival Recession (Randomized Controlled Clinical Study).

(2022) EFFECTIVENESS OF PLATELET- RICH FIBRIN WITH BETA TRI-CALCIUM PHOSPHATE PLUS CALCIUM SULFATE ON PERIODONTAL INTRABONY DEFECT MANAGEMENT (RANDOMIZED CONTROLLED CLINICAL STUDY)

(2018) Effect of Recombinant human bone morphogenic protein (rh-BMP-2) on socket preservation in aesthetic zone (randomized controlled clinical trial)  
Faculty of Dentistry – Beirut Arab University

(2017) Clinical Evaluation of Soft Tissue Healing Using Diode Laser Versus Conventional Scalpel after Microendodontic Surgery  
Faculty of Dentistry – Beirut Arab University

(2017) Evaluation of Trabecular Implant placement with Bone Expansion Anterior in the Maxilla  
Faculty of Dentistry – Beirut Arab University

(2015) Clinical and Radiographic Evaluation of Xenograft Mixed with Platelet-Rich Fibrin around Immediately Placed Dental Implants

(2015) Analgesic Influence of A Low-Level Laser Therapy After Placement of The Initial Orthodontic Archwire (Clinical comparative study)  
Faculty of Health Sciences - Beirut Arab University

(2015) Management of Gingival Hyperplasia In Patients With Fixed Orthodontic Appliances Using Topical Herbal Preparations (A Comparative Clinical And Microbiological Study)  
Faculty of Dentistry - Beirut Arab University

(2014) Clinical and Radiographic Evaluation of Crown Margin Shifting concept. A new Technique for re-establishing the Biological Width  
Faculty of Dentistry - Beirut Arab University

(2014) The Effectiveness of Vitamin D supplementation in Chronic Periodontitis Patients. (A clinical study)  
Faculty of Dentistry - Beirut Arab University

(2014) A Comparative Study between the Uses of the Piezosurgery versus the Conventional Technique for Removal of Impacted Mandibular Third Molars  
Faculty of Dentistry - Beirut Arab University

(2013) Clinical and Radiographic Study to Evaluate the Impact of Over Denture Supported on Implant and Tooth Abutments.  
Faculty of Dentistry – Beirut Arab University

(2013) Effect of using Chlorhexidine versus Hexetidine in Oral Care on Reducing Ventilator Associated Pneumonia.  
Faculty of Health Sciences - Nursing department - Beirut Arab University

(2012) Effect of the Platform-switching on Peri-implant Tissues of Immediately Loaded Anterior Maxillary Implant.  
Faculty of Dentistry – Mansoura University

**Msc & PhD Jury Member / Head of committee**

(2023) "Assessment of mandibular cortical bone thickness for mini-screw placement in relation to the vertical facial patterns using CBCT (Cross-sectional descriptive study)"

(2023) Clinical, Radiographic, and Histological Evaluation of the Mineralized Plasmatic Matrix/Xenograft Mixture in Maxillary Sinus Floor Augmentation (A Randomized Controlled Clinical Trial) **(PhD)**

(2023) Assessment of posterior teeth angulation in patients with anterior open-bite and normal overbite

- (2023) - Evaluation of amonion chorion membrane for socket preservation following maxillary teeth extraction (a randomized controlled clinical trial)
-
