

Application for Graduate Assistantship

Important information: Per university regulations, students receiving graduate assistantship are required to dedicate a specific number of working hours per week as agreed upon with the respective Faculties. Selection for these positions is typically based on strong academic achievements and students' contributions to the department. Graduate assistants are not permitted to undertake any additional part-time or full-time employment while fulfilling their Faculty duties and must acknowledge this commitment by signing a statement to that effect.

Personal Information				
Applicant's Name				
	(Last)	(First)	(Middle Initial)
