Curriculum Vitae

Personal Information:

Name : **Dr. RABAB ALI KHALIL**
Place of Birth : Saida (Lebanon)
Date of Birth : 24 September 1991
Gender : Female
Nationality : Lebanese
Marital Status : Single
Phone Number: +961-70-021660
Email address : dr.rababkhalil217@gmail.com

Objectives:

My objective is to combine my expertise in nephrology, hypertension and internal medicine with my experience in medical education and healthcare leadership to provide compassionate, comprehensive patient care. I am committed to improving patient outcomes through prevention, early detection, patient education and continuity of care. Through multidisciplinary collaboration, continuous professional development and teaching future physicians, I aim to advance the quality of medical care, promote community health awareness and support the health and well-being of the patients I serve.
