

BAU

at a Glance

Beirut Arab University (BAU) is a private Lebanese institution for higher education committed, since its foundation in 1960, to promote quality education. BAU has a relatively long history and extensive presence in the Middle East. The university offers undergraduate and graduate programs across a broad range of fields. It encompasses a rich and rewarding educational environment to around 7,000 undergraduate students and 1,500 graduate students from Lebanon and abroad. BAU has graduated over 116,000 alumni who hold excellent positions locally and internationally.

Beirut Arab University regularly develops and enhances itself to meet international standards, accommodates breadth of human knowledge and technologies and the ever-growing advancements. Moreover, BAU endeavors to implement new programs in areas that align with emerging social needs and the global evolution in education and research.

Through teaching and learning, sports, cultured diversity, community work and scientific outreach, as well as careful management and the enhancement of facilities, assets and events, BAU will continue to offer a wide range of opportunities for both education and excellence.

ACCREDITATIONS

INSTITUTIONAL ACCREDITATION

Beirut Arab University attained the International Institutional Accreditation from the Foundation for International Business Administration Accreditation (**FIBAA**) - an official international German foundation - registered in the European Quality Assurance Register (**EQAR**). The given accreditation validates that the quality of the program or institution and its programs is based upon reliable, transparent and international criteria and procedures that give the University a competitive advantage in the educational market.

FINANCIAL AID & SCHOLARSHIPS

SOCIAL FINANCIAL AID

NEED-BASED

BAU provides a comprehensive need-based financial aid that makes it financially possible for its students to pursue their studies. In this case, financial support is embodied in the reduction of tuition fees with varied percentages depending on the student's financial status.

SIBLINGS DISCOUNT

Siblings enrolled in the undergraduate studies during the same semester at BAU are granted a 12.5% off the total tuition fees each semester per sibling. Yet, the total deduction of all siblings shall not exceed any of the siblings' total fees.

ATHLETIC SCHOLARSHIP

BAU sports teams have organized and participated in friendly matches and competitions with other faculties and universities and won hundreds of championships. Athletic scholarships are awarded to students with recognized athletics skills.

MAJOR-BASED SCHOLARSHIPS

BAU offers scholarships for certain faculties to reward, encourage, and assist students in pursuing academic excellence in their fields of study.

NURSING SCHOLARSHIP (Up to 30% of Tuition Fees)

Newly admitted students in the Nursing program at the Faculty of Health Sciences are granted a discount on the tuition fees of the first semester based on the results of the Lebanese baccalaureate or its equivalent. Starting the second semester, the scholarship shall be based on the GPA of the previous semester.

NEW STUDENTS SCHOLARSHIP (Up to 20% of Tuition Fees)

Newly admitted students at the Faculties of Science, Law & Political Science, Business Administration and Human Sciences (English Language & Literature, Psychology) are granted a discount on the tuition fees of the first semester based on the results of the Lebanese baccalaureate or its equivalent.

2.33 - 2.99

≥ 14.00

20%

3.00 - 4.00

SGPA Starting the second semester, the scholarship shall be based on the GPA of the previous semester

NEW STUDENTS SCHOLARSHIP (50% of Tuition Fees)

Newly admitted students in the programs below receive 50% off their tuition fees during their years of study

- Fashion Design at the faculty of Architecture – *Design & Built Environment*.
- Arabic Language & Literature and the Mass Communication at the faculty of Human Sciences.

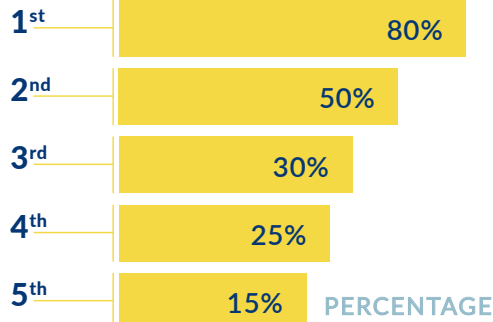

The scholarship is renewable every semester provided the student maintains a minimum SGPA of 2.

MERIT SCHOLARSHIP

RANKING SCHOLARSHIPS

The top five students at each level of all undergraduate programs receive reductions on the tuition fees of the subsequent semester as follows:

STUDENT RANK

The number of scholarships is determined according to the number of students per class (minimum of 15 students per class):

NUMBER OF STUDENTS/ LEVEL / PROGRAM	
15 - 25	1
26 - 50	2
51 - 75	3
76 - 99	4
100 & up	5
	MAXIMUM NUMBER OF SCHOLARSHIPS

LEBANESE BACCALAUREATE SCHOLARSHIP

The top three students in each of the four branches of the Lebanese Baccalaureate are granted an annual full cost scholarship. The scholarship is renewable every semester provided the student maintains a minimum SGPA of 3.5.

WORK STUDY PLAN

Undergraduate students facing financial difficulties are offered paid part-time jobs at the various BAU faculties, offices and departments. This will help them improve their work, communication and academic skills. Each applicant shall be assigned a limited number of hours per semester.

ACCOMMODATION GRANT

Students willing to stay in the dorms of the Debbieh campus can apply to the annual Student On-campus Accommodation grant which covers part of the BAU dorm fees.

BANK LOANS

The Bank Loan program is designed to provide Lebanese students with additional financial assistance and help them get a brighter future. The loan is with very low interest of 4% in Lebanese Pounds and students can benefit from a grace period of 1 year before starting principal repayment.

BAU CAMPUSES

BEIRUT CAMPUS

Beirut Campus was established in 1960. It is the main branch and located in the heart of Beirut in Tarik El Jadida. The land spans an area of 41,107 m² and comprises two of buildings with a total built area of 50,500 m². The main building has an area of 22,000 m² and utilized by BAU administration and the Faculties of Business Administration and Dentistry.

There is a 300-seat festivities hall, five seminar rooms which are furnished and equipped with multimedia and display screens, a specially designed “Al Multaqa”- a center for cultural and art activities, Student Activities building, Alumni & Career Office Building, gymnasium, sports hall, and cafeteria.

The second building is the 12-story Hariri Building, with two basements and a ground floor. It is 28,000 m² and is comprised of five faculties: Human Sciences, Law and Political Science, Pharmacy, Medicine, and Health Sciences.

DEBBIEH CAMPUS

Debbieh Campus was established in 2006 and is located 33 km from Beirut city. The land spans over an area of 1,353,000 m², and the total built area is 52,538 m².

It comprises four buildings for the faculties and the administration, two buildings for student dorms, two buildings for staff dorms, gymnasium, mosque, astronomical observatory, cafeteria, open theater, and student lounge.

The Campus currently holds three Faculties: Architecture – Design & Built Environment, Engineering, and Science.

TRIPOLI CAMPUS

Tripoli Campus is located in the heart of the Mina Region, one of the calmest areas in Tripoli, this beautiful campus overlooking the Mediterranean Sea has been receiving learners since the year 2010. The land spans an area of 15,540m² and the total built area is 35.594m².

The Campus comprises five faculties so far; the Faculty of Business Administration, the Faculty of Architecture – Design and Built Environment, the Faculty of Engineering, the Faculty of Science, and the Faculty of Health Sciences.

A multitude of facilities were provided to offer various services to students, staff, researchers, and visitors.

BEKAA CAMPUS

Bekaa Campus was established in 2011 and is located in Jdeita and Taalbayah real estate. The land spans an area of 183,391 m², and the total built area is 1,650 m².

It apportioned two distinctive locations for the Research Center for Environment and Development and the Alumni Club.
