

STUDENT ACTIVITIES

The Student Activities Department plans and organizes sports, social and artistic activities for students. We enhance the college experience by providing events that are both inspiring and enriching. Through a variety of clubs, teams, and competitive groups, we strive to bring a sense of community to all BAU students.

Our vision is to enrich campus life by providing services, facilities and opportunities for community development in Lebanon and abroad, multicultural experiences, personal growth and the acquisition of skills vital to the development of engaged citizens and future leaders to contribute in a global society.

Moreover our Mission is to support students' needs by helping them work with one another, to build interpersonal relationships and gain experience with collaborative event planning. In turn, as students develop their skills, they grow as individuals to become leaders in their own field. To provide numerous benefits by giving the students the chance to participate in our activities such as feeling more satisfied with their college experience, develop valuable leadership, interpersonal skills and be more marketable when job searching.

Student Activities Department Goals

- Refining students' personalities in social terms, in order to reflect the civilized image of the University (through workshops, lectures and other activities).
- Improving the points of strength of BAU students and work on their weaknesses.
- Developing capacities and skills for students to resolve obstacles and deal with problems.
- Developing leadership skills.
- Creating a sense of loyalty and affiliation with the university.
- Providing a healthy environment where students have all the space to express themselves.
- Offering communication skills among students through participating in all kinds of activities.

Extracurricular Activities & Clubs

Being a student is one of the most important and memorable experiences of a person's life. In addition to academic pursuits, extracurricular activities make up a valuable part of the overall university experience. Students can develop their social and interpersonal skills by getting involved in running organizations. This will help to improve their teamwork skills, and ability to build meaningful relationship with friends and peers..
