

STUDENT ACTIVITIES

As Student Activities Department at Beirut Arab University, we plan & organize sports, social & artistic activities for students. We enhance university experience by providing events that are both inspiring & enriching. Through a variety of clubs, teams, & competitive groups, we strive to bring a sense of community to all BAU students.

We aim is to enrich campus life by providing services, facilities & opportunities for community development in Lebanon & abroad, multicultural experiences, personal growth & the acquisition of skills vital to the development of engaged citizens & future leaders to contribute in a global society.

We support students' needs by helping them work with one another, building interpersonal relationships & gaining experiences with collaborative event planning. In turn, as students develop their skills, they grow as individuals to become leaders in their own field.
